He spent most of August, when he should have been on vacation, trying various methods of detecting sound through the device. By focusing on the interior of a speaker's larynx and using infrared, he was able to convert the visible vibrations of the vocal cords into sound of fair quality, but that did not satisfy him. He worked for a while on vibrations picked up from panes of glass in windows and on framed pictures, and he experimented briefly with the diaphragms in speaker systems, intercoms and telephones. Yolen. Later in the castle hall, Amos and the prince stood bound by the back wall. The grey man chuckled. The first Ozo was smuggled into the Soviet Union from West Germany by Katerina Belov, a member of a dissident group in Moscow, who used it to document illegal government actions. The device was seized on December 13 by the KGB; Belov and two other members of the group were arrested, imprisoned and tortured. By that time over forty other Ozos were in the hands of dissidents. . . but blood beaded his head like a crown. It was the first time she had ever seen him bleed. He pushed. I've tried. You probably didn't see them on the way in, but you saw the models. They're very light, supercritical, and designed for this atmosphere. Lou said it was like flying a bathtub, but it flew. And it's a skQI, almost an art. Lou practiced for three years on the best simulators we could build and still had to rely on things you can't learn in a simulator. And he barely got us down in one piece. We didn't noise it around, but it was a damn close thing. Lou was young; so was Cantrell. They were both fresh from flying. They flew every day, they had the feel for it. They were tops." She slumped back into her chair. "I haven't flown anything but trainers for eight years." . . Miss Tremaine looked up from her typing at the rattle and frowned. Her desk was out in the small. Once more she vanished while he slept, and he hadn't seen her all day. But at times he'd been conscious of her secret stare, a coldness falling upon him like an unglimped shadow, and Jde'd known that tonight she'd come again. . .
